(ii) sue the Purchaser for damages;

12.3.2 where the Vendor is entitled to cancel this agreement, the entry by the Vendor into a conditional or unconditional contract for the resale of the Apartment will take effect as a cancellation of this agreement by the Vendor, if this agreement has not previously been cancelled, and such resale will be deemed to have occurred after cancellation;

12.3.3 the damages claimable by the Vendor under clause 12.3.1(b)(ii) will include all damages claimable at common law and equity and will also include (but will not be limited to) any loss incurred by the Vendor on any bona fide resale. The amount of that loss may include:

- (a) interest on the unpaid part of the Total Price at the Default Interest Rate from the Settlement Date to the settlement of such resale;
- (b) all costs and expenses reasonably incurred on any resale or attempted resale; and
- (c) all outgoings (other than interest) and maintenance expenses in respect of the Apartment from the Settlement Date to the settlement of such resale; and

12.3.4 any surplus money arising from such resale will be retained by the Vendor.

Vendor's Default

12.4 If the Vendor does not comply with the terms of a Settlement Notice served by the Purchaser then the Purchaser may without prejudice to any other rights or remedies available to the Purchaser at law or in equity:

12.4.1 sue the Vendor for specific performance; or

12.4.2 without prejudice to any right of the Purchaser to damages, give notice in writing to the Vendor cancelling this agreement and requiring the Vendor forthwith to repay to the Purchaser any Deposit and any other money paid on account of the Total Price and interest on such sums at the Default Interest Rate from the date or dates of payment by the Purchaser until repayment.

Extension of time for compliance

12.5 The party serving a Settlement Notice may at the request or with the consent of the other party extend the term of the notice for one or more specifically stated periods of time and thereupon the term of the Settlement Notice will be deemed to expire on the last day of the extended period or periods and it will operate as though this clause stipulated the extended period of notice in lieu of the period otherwise applicable, and time will be of the essence of the agreement accordingly. An extension may be given either before or after the expiry of the period of the notice.

12.6 Nothing in this clause 12 will preclude a party from suing for specific performance without giving a Settlement Notice.

12.7 A party who serves a Settlement Notice under this clause will not be in breach of an essential term by reason only of that party's failure to be ready and able to settle upon the expiry of that notice.

13. RIGHT TO CANCEL AND FORCE MAJEURE

13.1 If the Vendor or its contractor has not commenced construction of the Works by 30 June 2004, then either party may at any time thereafter but before 31 December 2004 by notice in writing to the other cancel this agreement.

13.2 If war, civil disorder, act of Government or any other factor beyond the reasonable control of the Vendor or its contractor, whether similar or not ('Specified Event') prevents the Vendor from commencing or continuing construction of the Works or renders it impracticable for the Vendor or its contractor to commence or

continue construction of the Works, then the Vendor may by notice in writing notify the Purchaser of the Specified Event and cancel this agreement.

- 13.3** If this agreement is cancelled pursuant to this clause 13, the Purchaser will be entitled to the return of the Deposit in accordance with clause 4.6 and neither party will have any right or claim against the other.

14. SALES OF APARTMENT GENERALLY

- 14.1** The Purchaser will not object (and waives any right to do so) to methods employed by the Vendor in an endeavour to sell other Apartments including, without limitation, as to the use of signs, the placement of signs on the Common Facilities and the maintenance of display apartment(s) and/or a sales office, provided that the Vendor does not cause unreasonable interference to the comfort and convenience of the Purchaser and its use and enjoyment of the Apartment.

- 15.3** The Vendor will be free to assign, transfer, or otherwise dispose of or alienate the benefit of this agreement to a third party on such terms and conditions as it thinks fit.

Non Merger

- 15.5** Notwithstanding any rule of law to the contrary, the provisions of this agreement will not merge in any settlement to be effected, or in any instrument to be executed and given in accordance with the provisions of this agreement, but will remain in full force and effect.

Representation

- 15.9** This agreement and the schedules and attachments to this agreement, together with any approvals and consents in writing provided for in this agreement and given before the execution of this agreement, contain the entire agreement between the parties, notwithstanding any negotiations or discussions prior to the execution of this agreement, and notwithstanding anything contained in any brochure, report or other document. The Purchaser acknowledges that it has not been induced to execute this agreement by any representation, oral or otherwise, made by or on behalf of the Vendor, which is not set out in this agreement.

Severability

- 15.10** If any provision of this agreement or the application thereof to any person or circumstance is or becomes invalid or unenforceable, the remaining provisions will not be affected by that event and each provision will be valid and enforceable to the fullest extent permitted by law.

Stamping

- 15.11** The Purchaser will if required before the expiration of 2 months from the date of this agreement duly stamp either the counterpart or the original copy of this agreement or a transfer in pursuance of it, and in default of the Purchaser doing so the Vendor may stamp this agreement and recover the cost from the Purchaser.

- 15.12** If any stamp duty exemption is available to either party, each party will at any time upon request complete and sign any stamp duty exemption forms appropriate to the transaction.

- 15.13** If there is more than one Purchaser or Vendor, the liability of the Purchasers or of the Vendors (as the case may be) is joint and several.

- 15.14** Where the Purchaser executes this agreement with provision for a nominee, or as agent for an undisclosed principal, or on behalf of a company to be formed, the Purchaser will at all times remain liable for all obligations on the part of the Purchaser.
